

Name:

1. What is SAE (Supervised Agricultural Experience)?

2. Match the SAE category with the description:

- Exploratory
- Research
- Entrepreneurship
- Placement
- Supplementary
- Improvement
- Painting a neighbor's barn
- Working in a floral shop
- Owning a Christmas tree farm
- Comparing the effect of hormones on plant growth
- Shadowing a seed dealer for a day

3. Jackie is a very talented speaker and extremely good with technology. She is very energetic and did very well in the Creed Speaking event. She has a passion for agriculture though she lives in a town with her parents in a small apartment. The unit on SAE scared her because she does not have room for a garden or an animal. The officers have met recently wanting to take the chapter to the next level to reach out about agriculture. What would you do to inspire Jackie?

4. Based on your interests, what other ways could you develop an SAE that would non-traditional?
